

CNC machined parts

Fittings & Valves

Hydrogen (H₂) Valves & Fittings

HYDRO-BALL® valves

Oil & Gas - Wellhead Instrument valves

Customized solutions

Products

[Home](#) / [Fittings & Valves](#) / [Oil boiler accessories](#) / [Oil filters](#) / [1024 Oil filter with RS filter](#)

Instrument valves

Chemical injection valves

Fire Safety Valve (FSV)

Metering needle valves

Monoflange SDBB valves

Pilot Trip Valve

Accessories

Trunnion Ball Valves

Block and Bleed Valve

HYDRO-BALL® Valves

HYDRO-BALL® ball valves

HYDRO-BALL® check valves

HYDRO-BALL® accessories

Customized solutions

Hydrogen products (H₂), Products for Hydrogen applications, Valves for Hydrogen, Hydrogen valves, Fittings for Hydrogen, Hydrogen fittings - (21.500 psi)

Hydrogen check valves (H₂), Hydrogen non-return valves, Check valves for hydrogen

Hydrogen fittings (H₂), Fittings for hydrogen

Hydrogen Needle Valves (H₂), Needle Valves for Hydrogen, 21.500 psi

Pilot operated needle valves for Hydrogen applications (H₂) / Actuated needle valves for Hydrogen applications

1024 Oil filter with RS filter

Oil filter with RS filter and drain at the bottom.

Material:

Cup: Trogamid-T

Filter top: DIN 17660 CuZn39Pb3

Spacer: NBR 60 shore A

Filter: AISI316

Washer: Steel, zincplated

O-ring: NBR 70 shore A

Drain screw: DIN 17660 CuZn39Pb3

Connector: DIN 17660 CuZn39Pb3

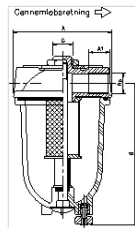

Plug: Steel, zincplated

Wall console: St. 1203, zincplated

Lock nut: DIN 17660 CuZn39Pb3

Filtering area: 22 cm²

Filtration: 250 μ

Item number:	Thread G	Thread Rp	VVS code xxx	A	A1	B
1024 1/4	1/4	1/4	102	61,0	11,0	88,5

Tubing for Hydrogen,
Nipples for Hydrogen

Spareparts

Hydrogen manifold
solutions (H2),
Manifolds for
Hydrogen, Blocks for
Hydrogen, Hydrogen
blocks

Hydrogen strainer
(H2), Strainer for
Hydrogen
applications, 3 stage
strainer for Hydrogen
Veri-Strainer T1050

Fittings & Valves

Collar fittings (40-
Series)

Compression fittings
(60-Series)

Pipe thread fittings

Hose nipples / Hose
tails

Hoses, copper pipes
and nylon tubes

Needle valves, mini
valves, lance valves,
shut-off cocks

Check valves

Safety valves

Oil boiler accessories

Fuse valves

Bulk head connectors

Filling covers

Ventilation caps

Tank whistles

Oil filters

We are ISO 9001:2015 certified

Competences

EV Metalværk has worked with production of fittings and valves for more than 30 years, and has achieved great competence within these fields.

Thanks to our highly technological production equipment and experienced development department, we are further the preferred cooperation partner for unique solutions and production of special articles.

Of course, the company is ISO 9001:2015 certified by Bureau Veritas with strict requirements for ongoing improvements and control.

Measure tools and measure equipment are subject to systematic calibration with an accredited supplier. Apart from our high quality requirements, we offer material certifications, measurement reports, compression test and flow measurement.

EV Metal's sanitary valves are of course subject to the Smiley regulations of the Danish Veterinary and Food Administration, and the control report is available via the link below.
